Join Up on the Comp Plan

originally published January 31, 2007

It's that time again: Athens-Clarke County is in the midst of the public participation process for the ACC Comprehensive Plan (affectionately known in the Planning Department as the "comp plan"). The Planning staff are extending an invitation to all citizens to swing by 120 Dougherty St. on Saturday, Feb. 3 to join up on subcommittees - meeting on various topics throughout the day - that will voice the public's opinions and concerns on the document that all of our planning is supposed to be based on. (And here in Athens, they actually use the thing!) For more information, call 706-613-3515. You can also check out the Planning Department's newly-overhauled website at www.accplanning.com, but keep in mind it's new and they're still working out some kinks.
